

X Accepts 1 or 2 Keystone Jacks

X Compact discrete size

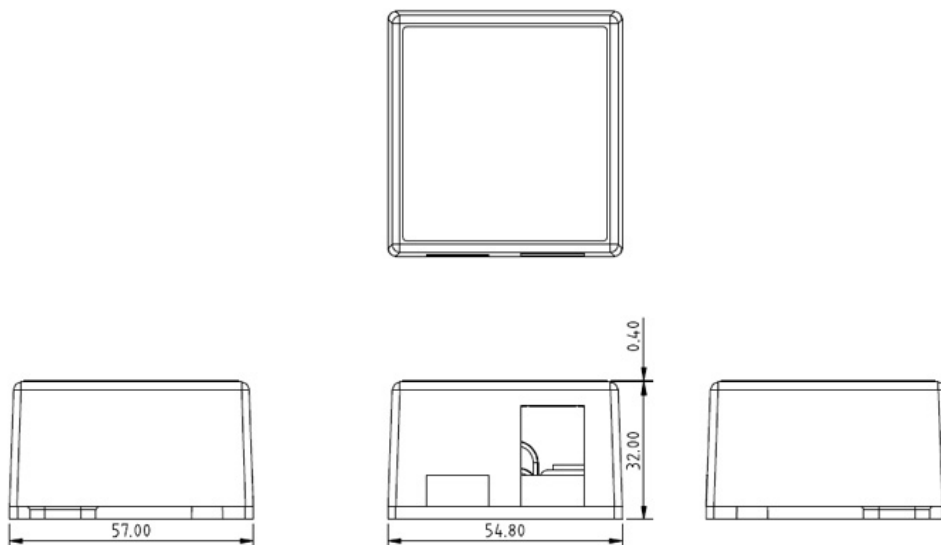

X Multiple cable entry

Features

- Accepts 1 or 2 Keystone Jacks
- Multiple cable entry
- Snap out second jack aperture
- Compact discrete size
- For standard & low profile Excel keystone jacks
- Built in cable tie attachments

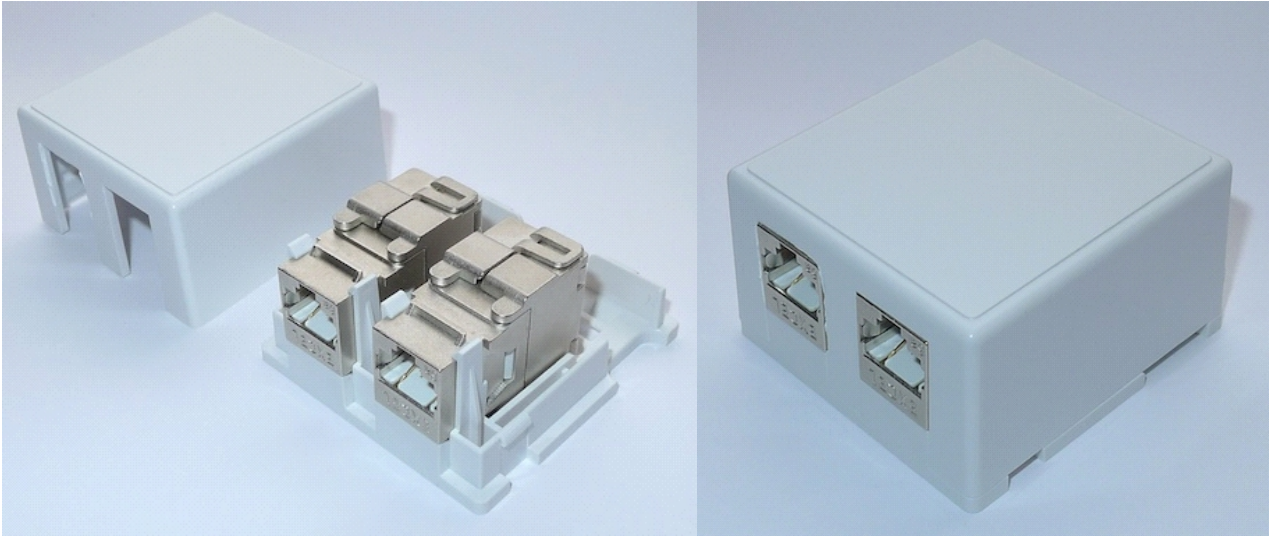

Product Overview

The Excel 1 & 2 Port Keystone Wall Mount box offers a compact discrete jacking presentation. The box accepts standard and low profile toolless as well as the IDC keystone jacks (plastic support removed to fit standard size toolless jacks). Supplied with one keystone opening as standard. The opening for the second jack is made with side cutters or a knife if required. The base is fixed in position using appropriate screws (supplied by others) and the lid snaps into place to finish the installation. The lid has various cut out sections to facilitate cable entry from various directions.
