...

DESCRIPTION

The classic range of CITYMAX audio kits is back again for **up to 24 apartments.**

- ◆ Indoors, **the Citymax telephone** (surface installation).
- ◆ Outdoors, the **City Classic door entry panel**, high quality and resistance.

City Classic is the FERMAX original and avant-garde outdoor panel with a convexcurved profile.

Gifted with a genuine urban character, it is the ideal range for audio installations for any type of building.

Manufactured in a highly weather resistant anodised aluminum.

Citymax telephone represents the classic and versatile model from Fermax.

Manufactured in white ABS plastic with a texturised finish for easy cleaning as well as ultraviolet protection.

Includes different attachment points to install on the wall.

EXTENSIONS

- ◆ Indoors: 2 additional Citymax telephones (ref. 80447), with no need of extra power supply.
- ◆ At the accesses: a 2nd access for the garage entrance or secondary door.
