

Product Code: APWIFIDS2K

Description: Wired 2K Wi-Fi Video Door Station with Record Facility

General Information

Dimensions	115mm x 45mm x 25mm
Lens	1.9mm
Viewing Angle	170°
Effective Pixels	2K (2560x1440p)
IR Distance	5m
Minimum Illumination	0 Lux
Weight	125g

Power

Operating Voltage (AC)	8-24V AC
Operating Voltage (DC)	5-30V DC

Secondary Power Connection USB-C

Construction

Material	ABS
Fixing	Surface Only
Colour	Black & Silver

Recorder

SD Card	Micro SD Card Maximum 128GB, up to Class 10
Video Resolution	WQHD 1440p
Recording Format	MP4

Transmission

Connection Type	Ethernet (VIA USB-C cable)
Wireless Transmission	2.4GHz & 5GHz (IEEE 802.11 b/g/n/ac)
Wireless Transmission Range	150m (Open Field)

Environmental

Ingress Protection	IP65
Operating Temperature	-20°C - 60°C

Component Supplied

- Doorstation
- AC Adapter
- 4 x Mounting Brackets
- USB-C to USB & Ethernet
- User Guide
- Mechanical Doorchime Converter
- Installation Accessories pack

Features

- 1440p Image Sensor
- High Dynamic Range (HDR)
- Human Detection
