DMN700W03-KITR

MCP WHITE, free contact, surface mount, resettable, protection cover

General

DMN700W03-KITR is a white manual call point for surface mount applications. It offers a single pole, changeover contact with common, normally open and normally closed connections. It is supplied with a resetable break glass and test key.

Installation

Installation time and ultimately cost, are of paramount importance. The MCP range directly reflects this need by providing a unique 'plug and play' concept designed specifically to reduce installation time. All new MCP products utilise a special terminal block, where all initial installation cabling is terminated. This terminal block is then simply connected to the back of the MCP. Simple, but effective, with no re-termination required and no time wasted.

Options

Through new standards and legislation, both break glass and re-settable operating elements may now be used. To provide the greatest 'flex-ability', the new MCP range can be configured as either a break glass or re-settable unit by simply changing from one element to another. No other additional parts or alternative products are required.

Standard Features

- Enhanced aesthetics
- Easy to install (plug and play)
- Protection hinged cover with Anti-Tamper facility
- Backward compatibale
- Key test facility
- May be used with glass or resettable element
- Easy to replace glass
- High quality micro switch

DMN700W03-KITR

MCP WHITE, free contact, surface mount, resettable, protection cover

Specifications

Cable Termination	0.5 - 2.5 mm²
Max. contact rating (resistive load)	2A @ 30 VDC
Series resistor	NA
Mechanical	
Material	PC/ABS
Weight	110g
Dimensions (W x H x D)	92 x 115 x 59 mm
Colour	White
Environmental	
Operating temperature	-10°C to +55°C
Storage temperature	-10°C to +55°C
Relative humidity (non-condensing)	0-95%
IP Rating	IP24D

Ordering Information

Part No.	Description
DMN700W03-KITR	MCP WHITE, free contact, surface mount, resettable, protection cover
DMN700Y03-KITR	MCP YELLOW, free contact, surface mount, resettable, protection cover
DM700B03-KITR	MCP BLUE, push button - Extinguishing hold, surface mount, cover
