Product Overview

Excel Office Keystone Faceplates are available either as a 1 Port or 2 Port shuttered version. The faceplate offers an enhanced aesthetic curved plate mounting option in Excel White colour complete with built in labeling fields. The aesthetic shape make these faceplates suitable for dado trunking or surface mount installations. The faceplates accept all of the Excel Keystone Jacks to allow for an installation to suite the performance requirements and are both single gang sized. Each faceplate is complete with mounting screws and screw covers to finish the look.
