

MM106

Surface overhead - floor mount contact

Details

- Roller shutter contact
- Aluminium body
- Armoured sleeve
- Stainless steel 8 mm flexible

MM106

Surface overhead - floor mount contact

Technical specifications

General

Application type	Surface Mount
Contact type	NC
Connectivity	4 wires, 45 cm

Wired/wireless

Wired-wireless	Wired
----------------	-------

Electrical

Voltage	1 to 100 VDC, 125 VAC
Switching current	500 mA

Physical

Material	Rhodium
Dimensions magnet	75 x 60 x 32 mm
Dimensions contact / sensor	150 x 40 x 15 mm
Operating gap	50 mm

Environmental

Operating temperature	-40 to +50°C
-----------------------	--------------

Standards & regulation

Certification	INCERT
