

MM115

Surface mount contact - wired

MM115

Surface mount contact - wired

Technical specifications

General

Application type	Surface Mount
Contact type	NC
Connectivity	4 wires, 2 m

Wired/wireless

Wired-wireless	Wired
----------------	-------

Electrical

Voltage	1 to 100 VDC, 150 VAC
Contact power	Max. 10 VA
Switching current	1 A

Physical

Colour	White
Dimensions contact / sensor	38 x 14 x 8.7 mm
Operating gap	15 mm
